At the bottom of her office fire escape, where her co-workers typically smoke and bitch about their bosses, Lucia Love decides to disrobe instead. “If a fire starts, my pals are going to get a massive shock when they flee the blaze,” she giggles. “But I’m so wet stripping off right now, I reckon I’d be able to quench the fire all right!”

Rock Chick Caroline usually sports a bit more hair down there, but thanks to a bit of encouragement from her boyfriend she agreed to go bare skin for her maiden appearance in *Razzle*. "It still feels a bit strange being hair-free, but my other half can't get enough of it right now." Caroline confessed.

The Italian Job

> "I had cum all over my tits, hair and face after they'd showered me"

Last year, after university, and looking to sow some oats before settling down, I went inter-railing around Europe.

Travelling overnight on a train between Bari and Brindisi, on my way to catch a ferry to Corfu, I was aware how much more forward Italian men were than British ones. A good-looking guard showed me to my compartment and winked at me as he shut the door behind.

It was nice to get some attention and it put me in a horny mood. I fancied a drink, so I sorted out a sexy little outfit to wear to the bar.

I undressed and stood in front of the mirror, having a good look at myself. If the young guard had found me attractive then maybe I could have some fun on this train.

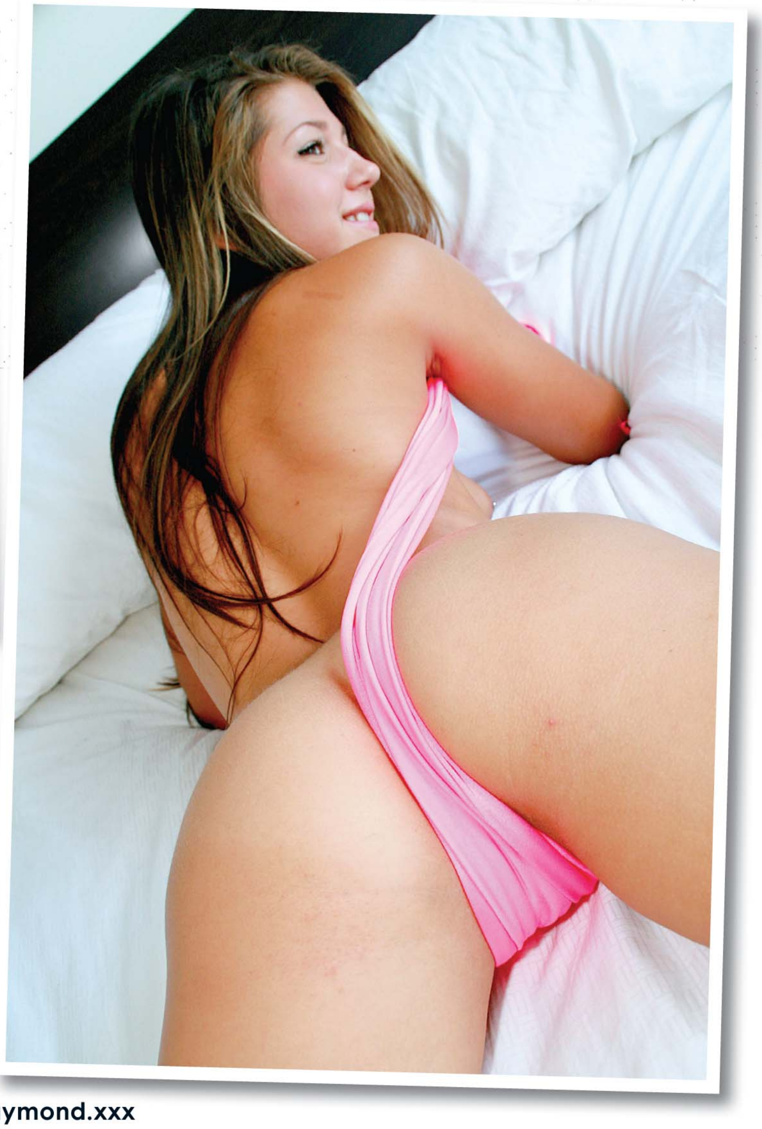
While I was thinking this, my hands were slowly caressing my tits. I put on a skimpy blouse, a skin-tight skirt and no underwear.

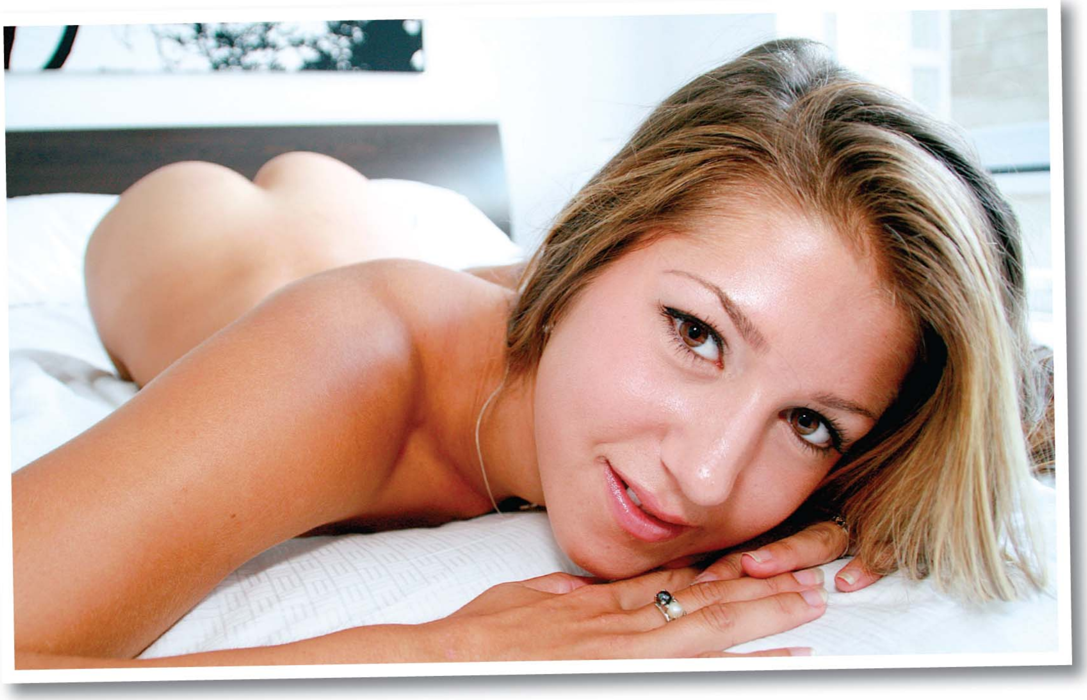
I decided I was going to find myself a damn good fucking.

I was hoping to see the guard. I imagined him bending me over the bunk and fucking me until his cum dribbled down my thighs.

I wanted to suck his cock till he came all over my tits, then lick my nipples and his bell-end clean.

I went to the bar and ordered a brandy and coke. I scanned





the room and saw it was mostly full of men – how lucky I was!

The guy next to me heard my English accent and asked me to join him and his friends. He was a good looking, well built bloke called Tony, and I accepted his offer.

He introduced me to his friends and we all had a drink and a laugh before going to the dining carriage. We had a great meal and more drink and got on really well.

Afterwards Tony suggested we go back to his compartment, as he had some nice French wine there. It was a tight squeeze but I wasn't complaining.

I had four gorgeous men sexually teasing me and telling me how nice I was. We were all pretty drunk and I was feeling quite brash.

I was extremely randy and could feel my pussy was soaking wet. I wanted them all. I turned to Tony and snogged him.

As he felt my tits one of the others said, "Go on Tony, she wants your cock!" Then I turned round and said, "I want all of your cocks!"

With that I had four naked blokes in front me, all sporting hard-ons. I began with Tony, kneeling in front of him and taking his cock in my mouth.

I sucked him for a while before moving on to the next guy, and so on until I'd sucked them all off. Then I lay on my back and told them to cum on my tits.

I had cum all over my tits, hair and face after they'd showered me. Then I stood up and asked them to fuck me one at a time up against the compartment door.

They fucked me for two hours. It was wild – they grabbed and pawed at me like animals.

I felt like a piece of meat being devoured.

Finally we'd all cum so much that we couldn't cum any more. Spunk was running out of my pussy like a river.

That night I replayed the sex over and over in my head. What an incredible journey!

THE LUCKY BUGGER

At a club, on the pull, I ran into a gorgeous girl with bright blonde hair and a curvy pearshape (just how I like them).

I could see her stockings peeping out from below her tiny skirt. I decided right then that I had to fuck her. I went up to the bar next to her and asked if I could buy her a drink. Saying nothing, she led me outside and bundled me into a taxi.

She'd hardly shut the door and she had her hand on my cock. It was already rock hard and it sprang out when she undid my jeans. She started to run her tongue up and down my shaft before clamping her mouth round my bell-end and sucking like mad.

She'd obviously done it before – it was incredible. It was so good that after a few seconds I fired jets of hot cum into her mouth. Moments later she rose and smacked her lips. She'd swallowed every drop of my cum and licked my cock clean.

Back at her place she wasted no time. She sat on the sofa with her legs spread in the air. She beckoned me over with one finger and said, "You're going to lick my cunt!" Forward tart, I thought, gratefully.

I eagerly began to lap at her soaking cunt, and she moaned loudly. She grasped the back of my head and buried my face in her cunt. I kept on licking and soon she bucked and screamed as she had the first of many massive orgasms.

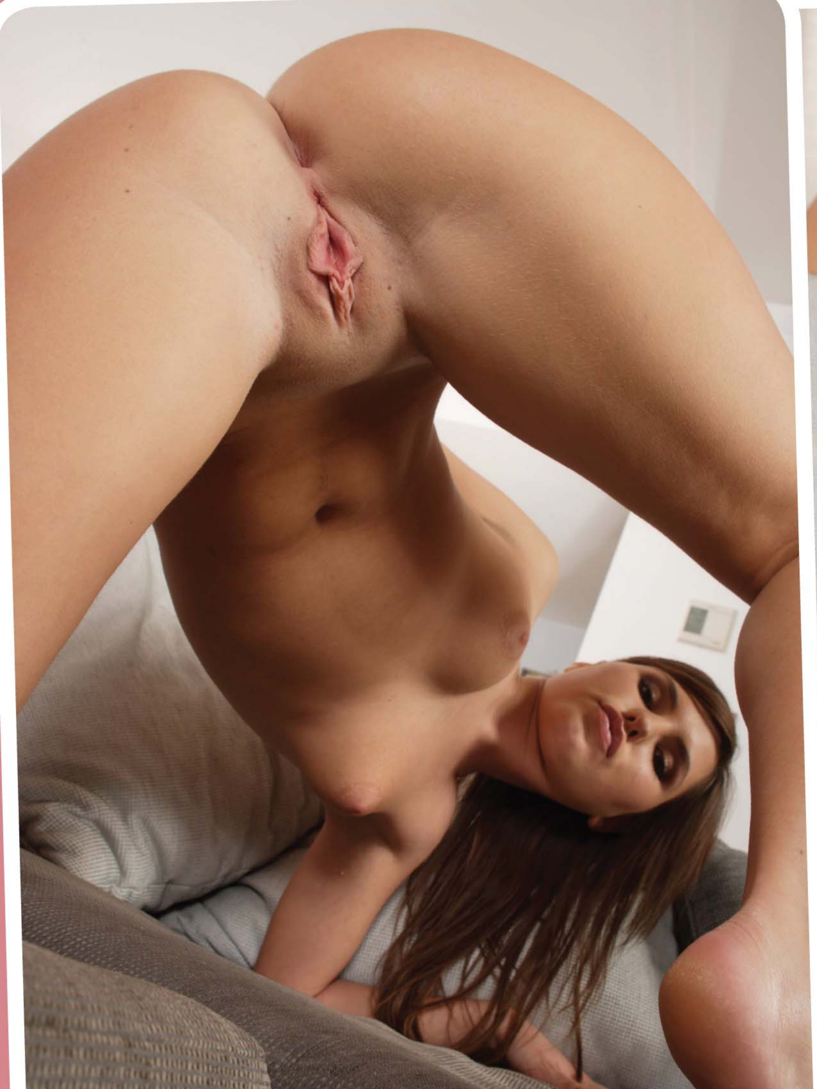
I spent the rest of the night hammering my cock into all of her lovely holes. She wanted to do everything, including taking photos. She was insatiable and had me fucking all night.

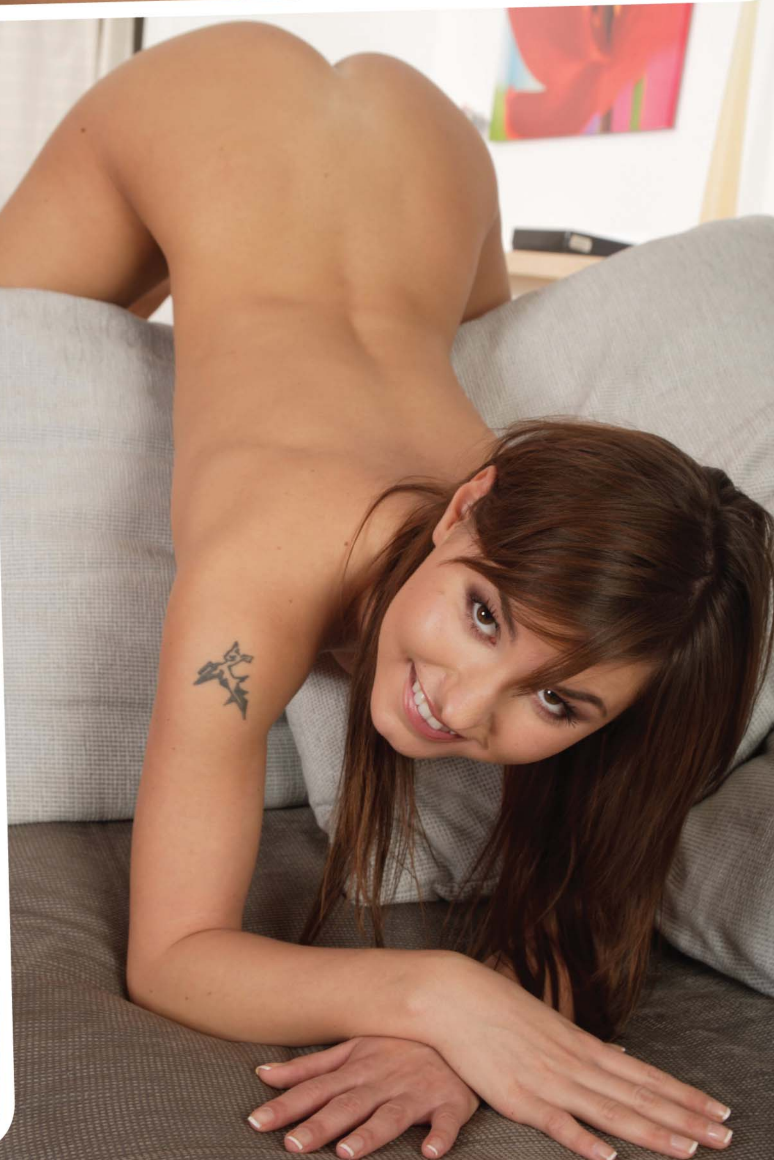
The next day I was totally knackered and very sore, but believe me it was worth it!

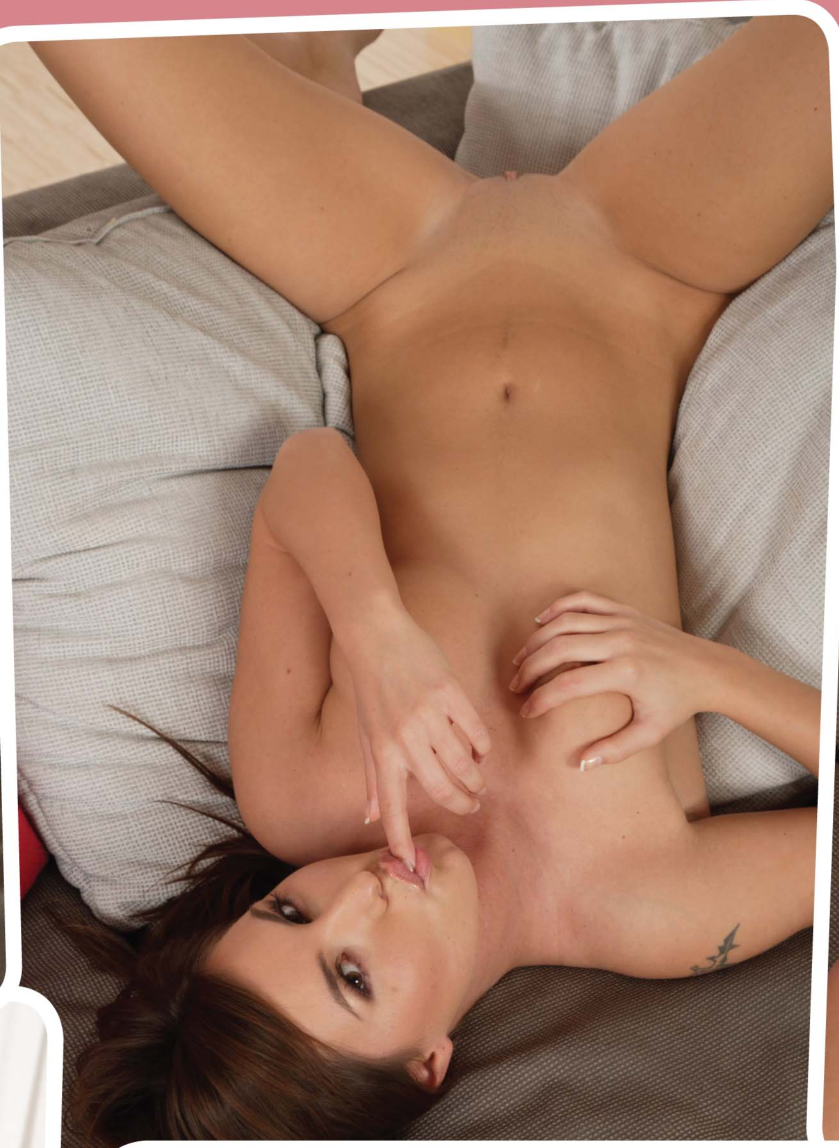
Paul, Somerset.

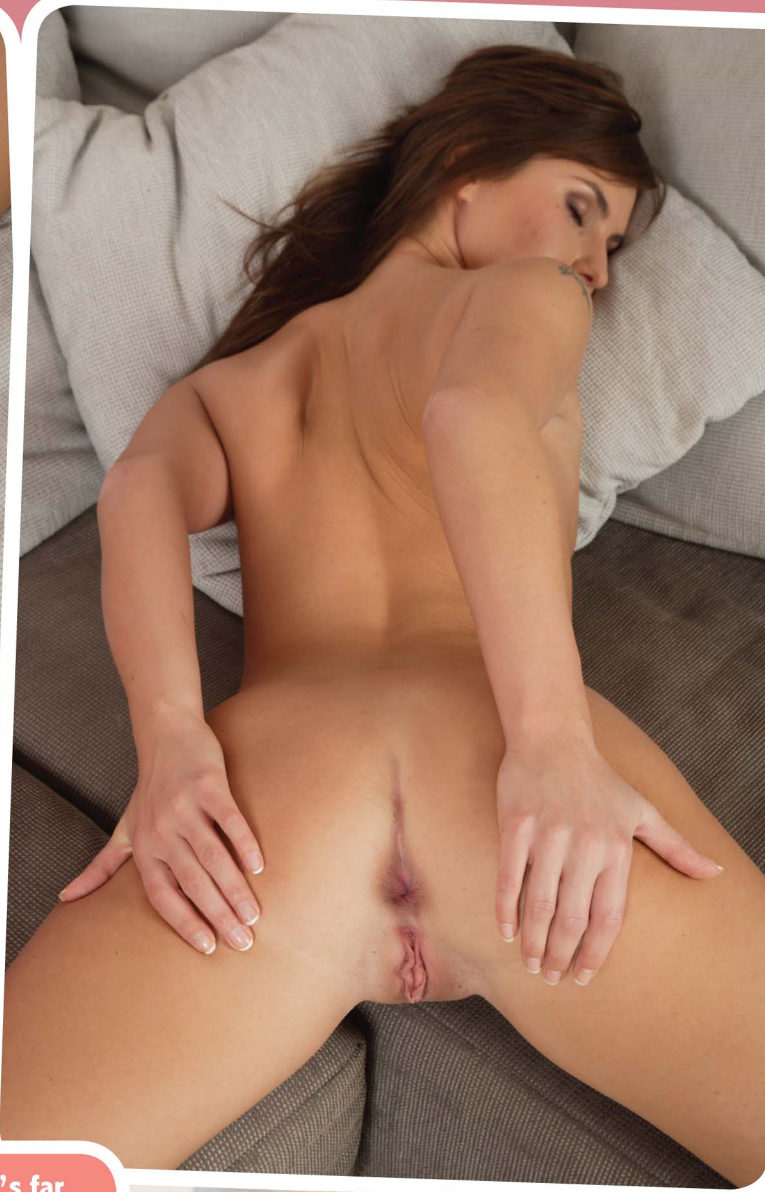
***Bob, Scotland*.**

CHRISY









Cutesy Chrisy might look all sweet and innocent but she's far from it, and we were there so trust us on this one, it's just a shame we couldn't print the things she did with her dildo. "I love it up the arse," she told us as she slipped the dildo up her poop chute in one swift movement. "But I always insist that my boyfriend pulls out and cums all over my bum cheeks!"

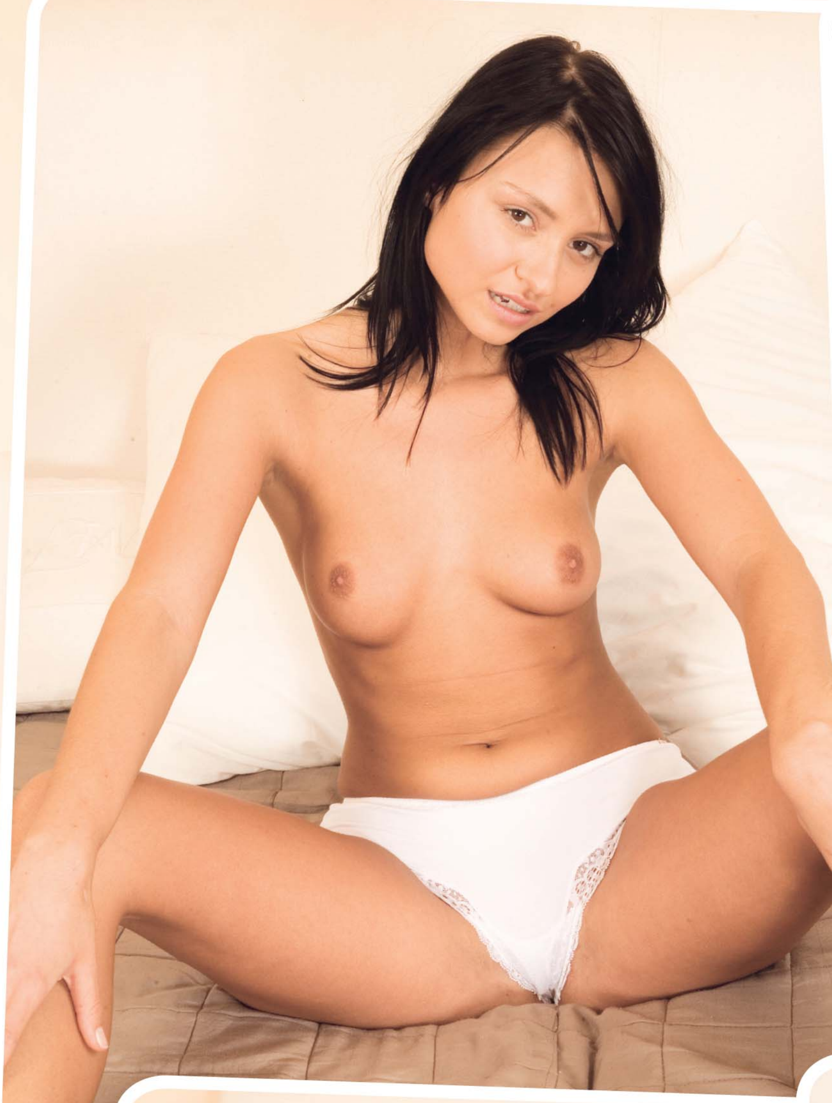
OK, so a hairy box isn't everyone's cup of tea, but plenty of men out there like their women au naturel, and sexy Lasey ticks that box! "I've been asked to shave off my bush so many times but it's not going to happen. I'm currently seeing a guy who has a hairy snatch fetish, and he can literally spend hours between my legs licking out my hole!"



There's a bit of a teeny theme going on this month in *Razzle* and 18-year-old Tina is the biggest ball-breaker of them all. "I love teasing cock," Tina confesses. "I enjoy wearing short skirts with a fresh pair of white panties on underneath, guys go wild for it. In all seriousness though I'm actually a very good girl, I'll only ever let a boy finger me on a first date. He has to wait until the second date for me to spread my legs so that he can experience what it's like to fuck my tight little pussy.

RAZZLE GIRL OF THE YEAR

CARLEY

raymond.xxx

The hangovers are still fresh on our minds over here at the Paul Raymond Towers after our annual awards bash went off with an almighty bang. Not only did this month's lovely cover girl Carley Maliiboo make a grand entrance on the night, but she also walked away with the *Razzle* Girl Of The Year award. It's not difficult to see why you guys voted for her, she's *Razzle* through and through.

Welcome to *Razzle* newbie Vanessa. We've got her boyfriend to thank for her inclusion in this month's magazine. "I enjoy posing for my boyfriend and we make lots of home videos," Vanessa told us. "But I never imagined that it would lead to me being invited to appear in *Razzle*. It's a dream come true and I'm already looking forward to my next shoot."

The Boogie Man!

A police officer pulled over a woman in a sports car. "I've pulled you over for speeding, Ma'am. Could I see your driving license?" "What's a license?" replied the blonde. "It's usually in your handbag," replied the officer. "Now may I see your insurance?". "Insurance..... what's that....?" asked the blonde. "It's usually in your glove compartment,". After some fumbling, she found it. "I'll be back in a minute." said the officer and walked back to his car. He called in to dispatch to run a check and after a few moments, the dispatcher came back, "Ummm... is this woman driving a red sports car?" "Yes." replied the officer. "Is she a drop dead gorgeous blonde?" asked the dispatcher. "Uh... yes." replied the policeman. "Here's what you do," said the dispatcher. "Give her the stuff back, and drop your trousers." "What? I can't do that. Its... inappropriate." "Trust me. Just do it." said the dispatcher. So the officer goes back to the car, gives back her license and insurance details and drops his trousers, just as the dispatcher said. The blonde looks down and sighs..... "Ohh no... not another breathalyser!"

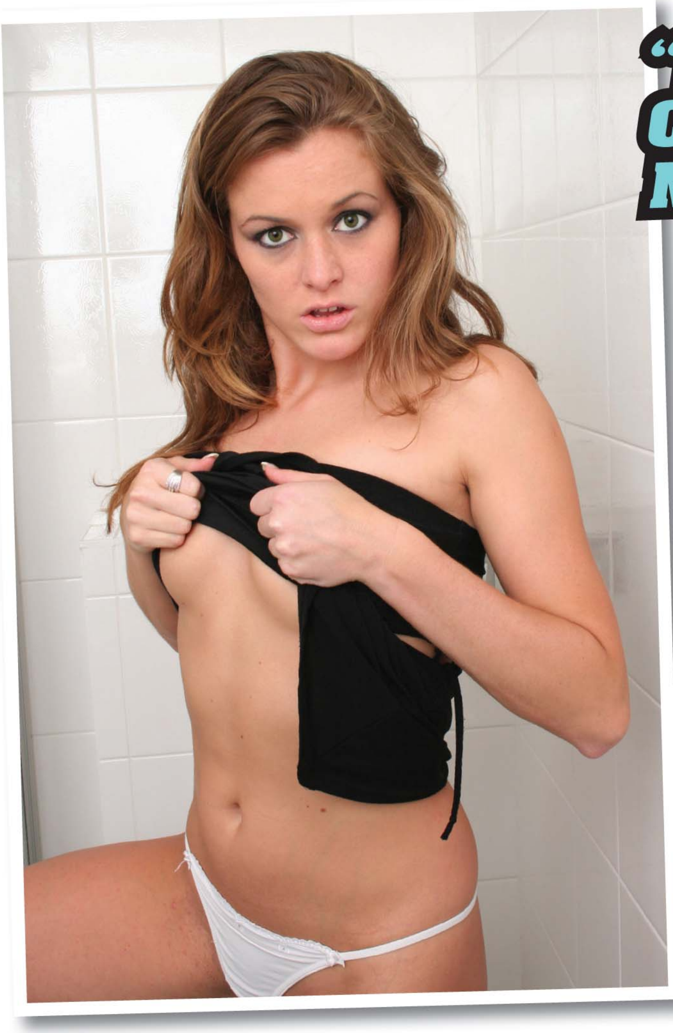
LUCINDA

Is her name Lucinda or Tea, or something else entirely, she changes it so often we really can't keep up!? What does remain the same is that gorgeous looking arse of hers and those pert little tits that make her perfect wank fodder for any red-blooded man. We're not too sure about those shoes though!

TRUE CON

MAYAN APOCA-LIPS



"I GOT HER ALMOST CUMMING, THEN JAMMED MY TONGUE INSIDE HER"

The other Saturday morning, my girlfriend Maya got up quite early, leaving me to have a lie-in.

By the time I hauled myself out of bed, she was sat having breakfast in the kitchen.

I walked up to her, morning wood waving around, and asked her what she was going to do. "First, I'm going to finish eating," she said.

All she had on was her robe so I leaned forward, kissing her neck and rubbing my boner up against her back, distracting her as I pulled her tie-belt free.

Then I grabbed her arms and used it to bind her wrists together behind the chair. We'd played enough kinky games that she knew the score, though normally she was the one who did the bondage on me!

I had a quick look at what was on the table and grabbed her pot of runny honey.

"No way…" she moaned. "I've only just showered…"

Next thing, she squealed as I dipped a finger in it for her to suck, then rubbed more of it over her nipples.

I felt her body quiver as I clamped my mouth on them and started sucking. Normally she'd tell me to get my own honey, that this was her posh deli stuff. Now all she could do was whimper as my tongue teased her stiff little buds.

I took the jar, upended it just above her boobs. "No…" she moaned again, watching, totally helpless as it ran out, slow and sticky, all over her tits and down her belly, coating them and finally her mound with a clear golden layer.

I licked my way down, pausing to give her honey-flavoured snogs. It was too rich and sickly to lick up too much of, so I used my hands to spread it over more of her. She sort of went with it now, resigned to it, but I managed to get a few more protests when I smeared it on her face and in her hair.

Now I pulled the chair away from the table and finally got down on my knees to get to work on her snatch.

That got a big sigh of relief! I spread her labia and used my fingers to rub it in her slit, the stickiness making the friction build

FESSIONS

quick.

I got her almost cumming, then jammed my tongue inside her to the root as my fingers kept rubbing.

Now I was swallowing down her cream and juices, flavoured with more trickles of the sweet stuff as she writhed in pleasure on the chair.

I had another grope of her tits, then smeared a thin coat on my hard-on. “Lick it,” I said, putting just the very tip to her mouth. She moaned and went to suck it, but I said, “Just lick. Or your cunt’s not getting any.”

Instant obedience. She stuck her tongue out, flicked it gently, then swirled the tip against my helmet.

Now and again I’d move forward, touching my helmet up to her lips, but the second she opened them to take it inside, I’d pull back, frustrating the fuck out of her.

Now I rubbed my cock and balls against her face, smearing them with the honey on it, and this time I let her lick her way up, then finally take me in her mouth.

I was pretty horny by this time, clear liquid welling up at my tip and trickling down over my helmet.

“OK, now suck me…” I told her. Immediately her mouth closed round it I felt myself get twitchy.

Her mouth was wet and the honey made her tongue feel rough up against my meat.

I began to thrust, holding back when I could, but when she took me deep-throat, my balls seized up.

And that was me done for. My prick was already filling her mouth but that just made her suck it harder.

“Open wide,” I groaned and though I aimed my prick into it, she probably got twice as much in her face as on her tongue.

She told me to hurry up and get hard, that her cunt was really aching now. I said maybe I should just leave her tied up to the chair all day, while I had a wank marathon.

So she suggested we take the fun into the bathroom… And we had a winner!

Johnny, Dorset.

MILF OF THE MONTH

"I've finally taken the plunge and grown a pair," divorcee Susan told us. "My ex husband used to put me down and call me a prude so I decided to leave him and do something about it. It's been over a year now since we got divorced and I've lost count of the number of cocks I've had inside me. I would have never imagined posing for pictures like these, and I know my ex will be salivating over my cleanly shaved pussy when he sees these photos!"

Secret Sex In The Store Cupboard

> **"I sucked him off but I didn't want him to cum before he'd filled my cunt"**

When you get a couple like me and my husband who have a very strong sex drive, you get fireworks!

I work as a lab assistant for a well-known pharmaceutical firm. I always take my dildo with me to work because I get so randy I have to have it up me.

Quite often I will rub myself up under the table until I am desperate to have my snatch filled. Then I nip off to the toilets with my dildo and finish myself off properly.

Sometimes when I am working late after work I call my husband Andrew and he talks dirty to me over the phone while I frig myself off. Other times if he's not busy he comes over.

Last time I was working late I had loads of work piled up on my bench but I just couldn't focus on it. My clit was throbbing and I couldn't keep my hands off my pussy.

The lab was empty so I phoned up Andrew and told him I was horny as hell.

"Right, get your pussy nice and juicy, I'm coming straight over. I've got a hard-on already!" he said.

I put the phone down and did as I was told, discarding my soaking knickers and stroking my cunt with one leg cocked up on the table. About ten minutes later Andrew rang the buzzer.

I opened the door and practically jumped on him. He wasn't joking about the boner - it was jutting out of his trousers conspicuously. We went into the store cupboard and locked the door behind us. Andrew immediately pushed me up against the door from behind. He kissed and bit the back of my neck frantically as he wildly pulled my jacket, blouse and bra off.

I pushed myself into him and groaned as he went to work. He threw my clothes on the floor and stripped off my skirt to leave me naked. He bent me over a table and crouched behind me.

I spread my legs and he started to lick my swollen, throbbing pussy. He pushed his tongue inside me as deep as he could, tasting my juices and making me gasp.

I rubbed my tits and tweaked my nipples as he licked me out. My body started trembling as I felt an orgasm building up inside me. I slid a hand down and started rubbing my clit.

I came with a shout and a splash. Andrew lapped up my nectar before standing up and turning me round. His trousers were round his ankles and his hard cock was winking invitingly at me.

I got on my knees and cupped his balls in my hand. I licked and nibbled at them before taking his cock in my mouth.

I sucked him off but I didn't want him to cum before he'd filled my cunt.

I bent over the table again and ordered him to fuck me. He slid his cock effortlessly inside my dripping gash and started pumping. I flicked my clit as he shagged me.

I came non-stop for five minutes. Then Andrew flipped me round and decorated my face with ribbons of glorious white jism. Delicious! Like I said, fireworks!

Leah, Cambridge.

ALL NIGHTER

One evening my girlfriend Leigh and I met up with two of my mates, down the pub. They were out on the pull, but I was dying to get home because I knew Leigh had shaved her cunt for me.

I decided to invite my mates back to our house for some more drinks. So us three blokes and Leigh piled into a cab. I noticed Leigh couldn't keep her eyes off Kevin's bulging crotch. I knew what the horny bitch was thinking.

Back at the house I left Leigh sitting between Cal and Kevin as I went to get the drinks. By the time I returned, the horny slut had already unleashed Kevin's big cock.

Her lovely arse was facing Cal, and in no time she was butt naked. Then she turned to Cal and sucked his cock. Kevin wasted no time getting in behind her.

He parted her legs and pushed his cock inside her dripping wet cunt. She let out a scream of pleasure as his cock rammed in and out.

I decided to get in on the act, telling Leigh to lie down on the floor. Cal swapped with Kevin and shoved his cock up Leigh while I stuck my dick in her mouth.

She immediately began sucking and then reached out and began wanking Kevin off furiously.

It wasn't long before Cal was firing his spunk up her hot pussy and as she moaned in pleasure I felt even hornier. I couldn't hold back and released my cream into her mouth.

She lapped up every drop. Then Kevin, feeling a little left out, muscled in and put Pam in the doggy-style position. He squeezed his cock up her tight arsehole.

As Kevin rode her arse Cal began sucking on her big tits. A few moments later Kevin shot his load all over Leigh's arse.

Cal then shoved his fingers up her cunt and played with her tits until she was pouring pussy juice over his sweaty palm.

Pam then asked if they'd double fuck her. She had one cock up her cunt and one up her arse and she was going like a fucking rocking horse. I stood in front of her wanking like mad until I spunked all over her face.

I lost count of the number of times we bonked her that night till 7am. She still thanks me for the best fucking session ever.

Mark, Doncaster.

Over here at *Razzle* we're over the moon that Natalia has chosen our illustrious publication to make her top-shelf debut, and as with all newcomers there was a hint of nerves in the air. On this occasion we managed to persuade Natalia to spread her legs just a little bit. But we're sure it won't take a great deal more encouragement for her to bend over and spread those cheeks of hers for us. Until the next time.

MELISSA

It's always a delicate moment when you introduce a girl to a top shelf photo shoot for the very first time, but every once in a while a gem like Melissa rocks up to the party. The ferocity at which she ripped her clothes off had the photographer on the back foot from the get go. And we're not sure he'll ever recover after she suggested he put his camera down and replace her favourite black rubber dildo with his cock. Good girl!

We promised new faces and Agnis is another *Razzle* virgin. We quizzed her on what turns her on and to our suprise she confessed to being hooked on watching gay porn. We were in total agreement until she let it slip that it was a bit of man-on-man action that got her juices flowing! "Oh, the hubby doesn't mind me watching it," she told us. "Before watching gay porn I would never have let my husband fuck me in the arse, now I can't get enough of it!"

Billy & Gill

Lucky fucker

Six years now I've been living with Billy. I've seen friends' relationships come and go during that time, and all our mates ask us how we still keep the spark that we have between us.

I tell them that it's the fact that we still love to fuck that keeps us together. It's not like we're screwing each other's brains out every night, like we did when we first met, but we both make an effort to keep things fresh – Billy still treats me like I'm sex on legs. He's got this morning ritual where neither of us can go to work unless he's given me a kiss on my pussy. That's with or without his tongue, depending on how late we're running!

The other morning I was doing my make-up in the bathroom when he called me into the bedroom. We had a good half-hour before we even had to think of leaving. He lifted my skirt up and pulled my knickers to one side, then parted my labia, exposing the bud of my clit. He flicked just the tip of his tongue against it, until he'd got a moan out of me. Then he swivelled me round so my arse was in his face. "Bend over," he told me. I did as I was told, feeling my cheeks split apart, my labia peeking out between them. Now he tongue-reamed my slit, licking me with the entire length of it, right down to the root. Then I felt something smooth and hard bumping up against my opening. His cock was my first thought, but I wasn't sure. "What the fuck…?" I said, and he shoved his hand through the gap between my legs to show me.

"sure enough, it was that wet and sloppy hole he shoved it up"

Lucky fucker

"He lifted my skirt up and pulled my knickers to one side, then parted my labia"

It was a big, black butt-plug. Not a natural cock shape, but thick-shafted with a bulbous head. The bottom of it flared out, so once it was inserted it would stay in place. I almost told him that there was no way he was sticking that up my arse, but that would just have given him ideas! Anyway, he'd only been playing with my cunt up to now and, sure enough, it was that wet and sloppy hole he shoved it up.

I was right – the design of it kept it in a very specific position. Billy told me to come and join him on the bed and I sat down – very cautiously. It wasn't

Lucky fucker

Lucky fucker

“his cock was stretched out straight against the hard length of the dildo in my other hole”

uncomfortable, even when I wriggled around, but there was no way I could ignore the solid weight of it, and the girth holding me wide open. Then Billy told me with a grin that he wanted me to wear it all day, until I got home from work. I knew better than to tell him he had to be joking.

The journey in to work nearly did for me. I was sat on the bus, squirming in my seat, every bump, corner or vibration juddering up my hole. I staggered to my desk, trying to avoid any kind of contact with my colleagues, little twinges of pleasure shooting through me, usually at the worst possible moments.

Around lunchtime, Billy rang and told me to go into the ladies. He wanted to hear me bring myself off. Sometimes I'm just too fucking obliging! I straddled the loo, although I clenched my muscles tight around my pussy plug, just in case it worked its way out. Then I started rubbing my clit. Billy knows very well that I always cum my hardest with a full pussy, and I'd hardly started diddling away before I was going into spasm. I slapped my hand over my hole, again scared I'd force the toy out, but it stayed where it was, holding me open and stretching out my orgasm too.

I begged Billy to come and give me a lift home – another bus journey would finish me off, and that wouldn't do him any favours. He agreed, but I had to prove I wasn't wearing any knickers before he let me in the car. I flashed a bit of arse and pussy, lightning fast, then sat, my knees splayed, as he drove. Every time we stopped at a red light, he'd sneak his hand in between my legs, fingering the rubber stopper, tapping on it, sending little shockwaves through my snatch.

I could see his hard-on tenting the front of his trousers, and I reckoned he'd dive on me the second we got home. But when we got to the bedroom, he just pulled me up against him, kissing me, telling me I was a fucking legend for what I'd done that day. It turned out I'd given him even more of a thrill than he'd anticipated.

The dirty fucker had spent half the day locked in the gents' polishing his cock over the thought of me getting juiced up. When I'd been doing myself, he'd been in a cubicle too.

Now it was my turn to dish a bit out. I started to wank his cock, just slow and gentle at first, teasing it to hardness. No matter how sore or spent if felt from all his self-abuse, there's no way he'd resist me getting him hard

for a fucking. I told him he could do me up the arse if he got a stiffy.

That's what finally sold it to him. I felt the blood pulse through it, the whole length of it heating and hardening in my hand.

For the second time that day I stood in front of him, bending over and touching my toes. The plug was still inside my pussy but I left it there – I slipped a finger in my arsehole and could tell that it was even tighter than usual.

Billy was heavy-breathing, and so was I as I felt him touch his cock up to my arsehole. It took one hell of a push to get it in me, and he was groaning

out loud – he'd never felt me clenched so tight around his length, and his cock was stretched out straight against the hard length of the dildo in my other hole. We had the longest, slowest, most-delicious anal fuck I've ever experienced, this hot glow of pleasure spreading through my body. Any part of me that Billy touched would shiver under his fingers.

Soon he was reaching round to my clit, just tapping his fingertips on it, like he'd tapped the plug. That was enough. I felt my climax start building then surging out from my crotch. And he just kept me cumming. It got to him too – he hardly had to thrust to get the spunk draining out of his balls again.

Since that day, Billy's gone a little crazy buying me sexy gifts. The latest is a set of nipple clamps, solid silver with little weights to hang off them. Now I'm going to make the ultimate gesture – I'll go with him to watch his football team play and go naked – except for the clamps – underneath my replica shirt. He's hoping his boys score so I have to jump up and down, little silver weights tugging at my teats while he decides what he's going to do with me back home. As long as he lays off the wanking so he can give me a proper seeing-to!

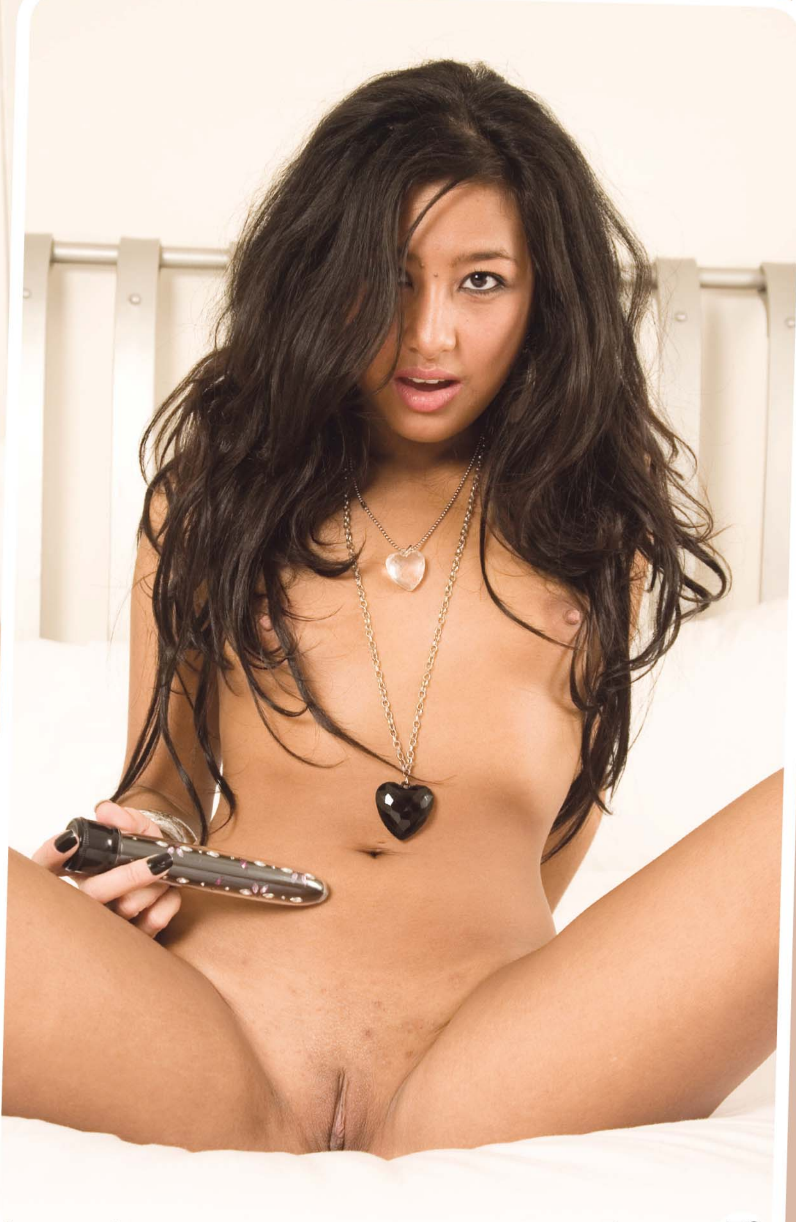
YADA

Take a bow Yada, our readers are going to love you! “I’m thrilled to finally make an appearance in one of my favourite magazines! I was so excited when you guys got in contact after I sent in some of my selfie photos. I had no idea it would lead to a full-on photo shoot. I get so horny thinking about all of the guys out there wanking over my tight pussy.”



TRUE CON

HIGH-FLYING CAREER GIRL HELLY WORKS EVEN HARDER AT HER KINKY SEX LIFE

As a 27-year-old with a high-powered City job I like to play as hard as I work – I take my sex life as seriously as I do my career. I love the power play involved within BDSM and as soon as I'd had a taster in my late teens, I was completely converted and itched to submerge myself fully into the world of submission and domination.

Early on in my journey, I was lucky enough to meet the man who would shape my life in ways I had never imagined. He was an artist, a designer and a master of the 'dark arts', as I jokingly call the lifestyle, and our relationship was exciting and felt dangerous to me. We had been together for a number of months when he invited me to stay with him for a few weeks.

My time staying at Marcus' house was very educational and has a lot to do with the woman I've become since. He not only had an enormous penis but was also a very experienced and demanding Master. Hours spent in erotic bondage had built up my stamina and the torturous teasing that my pussy, tits and anus regularly endured sent me into paroxysms of orgasmic bliss.

During my stay, Marcus held a special by-invitation-only exhibition and he allowed me to model one of his outfits. I was juicing with anticipation as he showed me a gorgeous – and extremely revealing – rubber costume. It was a wired and boned rubber corset with rubber suspender straps, moulded conical breast cups with nipple peepholes and an erect dildo attached to the inside of the gusset.

I was wondering how my breast meat would fit inside the long, thin cups, when I noticed him attach an odd-looking nozzle to what looked like a large vacuum cleaner. Having sealed me tightly into the corset, the lube-slicked dildo being pushed firmly inside me, he pushed my tits into the narrow opening of the moulded rubber. My flesh bulged over the edge and I watched with apprehension as he applied the large nozzle to the peephole of the bra cup.

Flicking the switch on the machine, Marcus sucked my left breast out to fill the outfit, with the strangest of sensations. When he switched the machine off, I looked down to see my erect nipple peeping out of the hole in the tip. As he repeated the process on my right boob, I couldn't help but mentally pinch myself at the bizarre situation I had found myself in.

When I was totally sucked in, Marcus snapped a pair of wrist cuffs onto me, before rolling some sheer black stockings up my legs, fastening them in place with the rubber suspenders in a manner I found extremely sensual. Taking a pair of extremely high-heeled shoes, he fitted one on each foot and, upon fastening the ankle strap, locked them in place with a padlock. They were so impossibly high that it required all my concentration to stay upright in them.

Arriving at the gallery earlier than the scheduled guests, Marcus introduced me to Fillip, the gallery owner, and the other models. Like myself, they were wearing fetish gear designed by Marcus but would be serving drinks and putting little red stickers on the frames of the pictures as they were sold. I, on the other hand, was to

FESSIONS

> **“OBEDIENTLY, I RAISED MYSELF OVER THE MASSIVE ERECTION”**

be the star attraction. Marcus asked if I had ever been fucked in front of anyone. I replied that I had indulged in an orgy or two, and wasn’t averse to trying anything new – he was my Master after all. Marcus smiled and kissed me on my forehead.

After about an hour, Fillip clapped his hands and announced that Marcus was going to demonstrate some of the pieces of ‘functional art’ that were on display. Marcus caught my elbow and introduced me, rather shockingly, as “the cunt” that was going to “mount the platinum erection”. Applause broke out as he led me towards a large metal phallic shaped construction, which resembled a space rocket.

It was not merely a piece of sculpture but a mechanical device, and on either side and overhead there were metal rings and chains. My heart fluttered as Marcus ordered me to stand just behind the large metal erection. Attaching my wrist-cuffs to a chain hanging from the ceiling he cranked up the mechanism until my arms were stretched slightly above my head. Spreading my legs apart, he attached the ankle straps to the metal rings in the floor.

He unfastened the rubber gusset holding the dildo in place, and, with a flourish, removed the rubber phallus that was slick from my cunt juice. Murmurs of approval came from the crowd and my face burned with humiliation – a humiliation that now fuels my masturbatory fantasies.

With a gentle push, he slid the device between my thighs. It was just under my pussy lips and the cold metal pressed lightly against my mound. Marcus reached for my nipples and gently pinched my teats. My breasts were aching from the constant restriction inside the confines of the narrow rubber cups and my nipples had become highly sensitised.

Marcus’ touch was like an electric shock and as I lurched forward in my bonds he pressed a switch on the floor with his foot. The shiny phallus began to extend upwards towards my pussy and I unconsciously ground my clitoris hard against the pole.

His hand caressed my bum and he urged me to mount it properly. Obediently I raised myself over the steadily rising erection, my pussy sliding across the rounded top of the cylindrical construction, my labia spreading wider. My pussy twitched and I became incredibly aroused, staring out at the group of people who were watching me being fucked by a metal dick.

I breathed heavily as Marcus’ fingers discreetly sought my clitoris and, as I became further impaled, he applied an expert thumb onto my throbbing bud.

This final stimulus drove me over the edge altogether, and I ground my hips against the invading metal monster, my climax hitting me like a juggernaut and I screamed in pure, unadulterated bliss – my restraints only adding to it. Thrashing around, I was in absolute ecstasy as my orgasm seemed so much more intense than any before.

As my pleasure subsided and I regained my composure, the crowd erupted and I grinned, proud of my first public art display. As Marcus released me and I climbed off the metal contraption, I realised that I was a true exhibitionist and my sexual tastes would never be the same again!

DEEP INSIDE TIGHT HOLES

This great new title from Reality Kings features four great hardcore scenes, each featuring fresh-faced newcomers to the fuck flick scene, and every one of them is a winner!

The scenario for scene one has a good-looking burglar breaking into a swanky house and being disturbed by Isis Taylor, a gorgeous long haired redhead. “The only thing that can get you out of robbing my parents’ house,” she says, “is if you have a really, really big cock!” And guess what? He does.

They adjourn to the bedroom where that cock gets even bigger once it’s buried deep in the hot young lady’s mouth. Billy burglar strips her off to admire her hot little bod before slamming that big dick up her love hole in doggie and cowgirl. She obviously cums hard before he whips it out of her steaming snatch to splatter her face with joy juice. Who says crime doesn’t fucking pay?

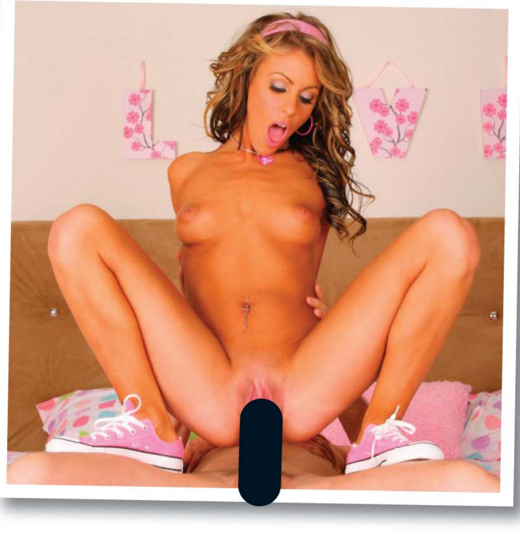
In scene two, cute blonde Heather Starlet is relaxing at home in her school uniform when one of her dad’s employees drops in. The chance of fucking the boss’s daughter is just too much for him to resist, particularly as she’s obviously a right fucking goer. Heather keeps her uniform on while she sucks his throbbing cock and gets her shaven pussy filled with man meat. Their lengthy session takes in a variety of

OOOAAR!

positions and plenty of pussy to mouth action before she opens her mouth to baste her tonsils in bollock batter. And the dirty cow even swallows.

In the following scene we meet cute 18-year-old Angel Jay. Her mum and dad are out, so she calls her older boyfriend round to service her sopping wet slit. Angel is a hot little number in her pretty yellow dress. She is an innocent when it comes to sex, but soon gets the hang of it once her man starts fingering and licking her tight little pussy. Her blowjob technique is expert for one so young, licking up and down the shaft and nibbling on the helmet before sinking a goodly portion to the back of her throat. She takes that big stiff cock in doggie and cowgirl before a shafting in missionary and a spunktacular facial finale.

Finally we get to see slutty Zoe, an 18-year-old prickteaser who gets a visit from the older brother of one of her boyfriends. He says she should stop treating his younger brother badly and by way of revenge decides to fuck the arse off her in multiple positions. Good on him, we say. Zoe's parents are out, so she's well up for some hard cock action and after sucking his pole like a champion she holds her pussy lips open so the randy lad can get his tongue right in there. After a fierce revenge fuck in cowgirl, missionary and doggie, older bro fills her greedy throat with man mayonnaise and it dribbles down her tits.



If porn flicks starring hot young 18-year-old beauties get you inflamed, then you'd better keep the Fire Brigade on speed dial when you watch this bad boy!
